Peachtree City, GA May 2014— HeroBox and volunteers prepared and packed art therapy supplies for injured and aging veterans living at the Charlie Norwood VAMC in Augusta, Georgia. The boxes were packed full with great kits and art essentials. HeroBox will be shipping these Renewed HeroBoxes out early next week.

Our Renewed Heroes Program aims to enhance the lives and rehabilitation process of injured and aging U.S. veterans. Art therapy has numerous benefits such as improved cognitive abilities, increased upper body strength and mobility, and reduced agitation and anxiety. These are just a few reasons why art supplies are a necessary part of the renewal process for our veterans.

Herobox is a nonprofit organization with a mission to provide the physical and moral support our heroes need while they are away from home. We are able to achieve this mission through programs that are designed to engage America's greatest resource—the people.
